

# SCHOOL NEWSLETTER

Ofsted  
Outstanding  
2011/2012

Dear Parents,

The last day of summer term is here again – we know it's looked forward to by teachers and children more than yourselves! I hope that whatever your plans are over the next few weeks, the children enjoy their holidays and get lots of opportunities to enjoy Rights Respecting Article 31 – the right to relax and play!

In this final newsletter, I do again want to take this opportunity to thank you all for your ongoing support for us here at school. Here's to another successful year already behind us and a new and exciting one ahead.

I would also like to pass on my thanks to all staff and governors who have had another busy year, both in classrooms and behind the scenes. Our school wouldn't be the same without your hard work and dedication to our children. Thanks everyone!

## Goodbye to our fantastic pupils!

I hope everyone enjoys the disco this afternoon - no doubt there will be a mix of smiles and tears – from staff, parents and the children! Our Year 6 class have again done themselves proud! They have had a fantastic year, working hard and behaving well, contributing significantly to the many developments that have taken place during their time here. We wish them all the very best as they move on to their new challenges and hope they continue to work hard, with good attitudes and impeccable behaviour. Congratulations on your achievements here and I know there will be many more successes ahead of you!

## End of Year Performance – Sherlock and Cinders

I hope that you enjoyed the performances last week. Year 6 did a great job of leading the show and it is lovely that the whole school is involved and work so well together. Thank you too, to the supportive parents who ensured their child came back for the evening productions – we couldn't do it without your support. If we were unable to do the evening shows, many, many parents would miss out on seeing their child perform at all.

It was, unfortunately, the most poorly supported evening performances that we have had in a long while. I really do hope that we can count on your support for our next performances. The children work so hard to put on their performances that it is lovely to share every show with them all.

### **Farewell...and Good Luck!**

Today we are saying a fond farewell to a couple of staff members and I am sure you will want to join me in wishing them well for the future. Mrs Dixon is moving on to pastures new after being with us for the past 6 and a half years. We want to thank her for her contributions to school and our children and we all wish her the very best for her future. Keep us updated Mrs D!

Mr Lambert, our Sports Apprentice has successfully completed his course here and has been a great asset to our school over the past year. He is off to Indonesia travelling for a few weeks – not that we are jealous at all! We wish him the very best of luck for his future career. I am sure he will have a great time.

It's not 'farewell' but Good Luck to Miss Richardson in Reception Class who is getting married on 29<sup>th</sup> August. We all hope that she has an amazing day and wish her and her husband Chris and their boys a long and happy married life together!

### **A Final Thank-you**

The staff and I would like to thank you all for your cards, presents and good wishes that we have received this morning. It is lovely to see how much you value and appreciate us here at school. We all work together so well as a team and in that I include yourselves as parents and carers, and of course all of the children. Have a great summer. I hope the sun shines and that you get to enjoy some time relaxing and recharging your batteries over the holidays.

I look forward to our next school year - **starting Wednesday September 4<sup>th</sup>**
