

I / We shall try to:

Respect the rights of my/our child at all times in line with the UNCRC and alongside the school

Help my/our child arrive at school at or before 8.55 a.m. every day

Help school to ensure the safety of my/ our child by informing them if my child is going to be late or absent.

Help my/our child come to school regularly and provide an explanation for any absence so that I/we can work with school to support my/our child through any absences.

Attend open evenings to discuss my/our child's progress, helping the school/home partnership develop.

Help with homework and reading, and support the school's homework policy.

Ensure my/our child has everything they need for school including a school uniform, book bag and PE kit.

Let the school know about concerns or problems which might affect my child's educational or emotional well-being.

Support the school's Healthy Eating policy and my child's right to nutritious food.

At Cleves Cross Primary School we will:

Encourage all our children to do their best at all times by providing a high standard of education with regard to each child's potential and with absolute respect for their emotional and educational well-being.

Inform parents/carers about the experiences their child/ren will be engaged in during each term to so that we can all work together.

Encourage children to develop their understanding of their rights and responsibilities and enable them to be effective global citizens.

Care for all our children and encourage them to enjoy school.

Inform parents/carers about their child's progress at regular meetings.

Inform parents/carers quickly if there are concerns about the educational, emotional or social aspects of their child's development.

Work together with parents/carers to develop habits of good attendance and punctuality for their children.

Keep parents regularly informed of activities within school so that they can continue to play a key role in their child's development.

Help parents/carers to take part in school activities with their child so that they gain a deeper understanding of all aspects of their child's development.
