

## Year 2 Class Challenges - Easter Holidays

Firstly, thank you to those of you who have emailed the class account to share all of the hard work you have been doing. I have loved seeing it all and can't wait to see what else you get up to! If you haven't sent anything yet - please do. It's so nice to keep in touch and hear from you all.

Keep your eyes on Twitter to see some ideas which you might use to keep busy in your own time too.

It's really important that over the Easter holiday you have some downtime and relaxing, I am sure you deserve it! Below there are a couple of little things you could get up to if you would like...

History/Topic - I know how many of you loved learning about the different explorers in our last topic. We have finished this topic now but it would be good for you to create a little project for the Year 2 children to use next year! Be as imaginative as you like. You could create a book with a fact sheet about different explorers. Maybe you could create some 'top trump' style cards with each explorer on. Could you include some pictures? What about finding out about an explorer of your own. I will include the explorers below that we have already explored at school:

**Amy Johnson, Ranulph Fiennes, Neil Armstrong, Robert Falcon Scott, Christopher Columbus**

*I cannot wait to see how imaginative you can be with this one! Let's really show the Year 2's next year how much we learnt in our topic.*

RE - I know a lot of you will be 'egg'cited to create your 'egg'cellent egg projects over the next few days. As we approach Easter, you could watch or read the Easter story and then have a go at the word search I have included on the next page. If you want to do some writing about this too - great!

Most importantly, take time to relax with each other! Enjoy plenty of arts and crafts. Grab a jigsaw and play some board games.

Missing you lots at school and look out for some messages in your inbox on ActiveLearn when you've completed some work.

Can't wait to see you all again very soon ☺ ☺

Mr Blood
