

Cleves Cross Learning Trust
Art and DT competition

'A view from my window'

Hi everyone!

I hope you are excited to take part in the Cleves Cross Learning Trust Lockdown Art Competition!

The theme for this competition is '**A view from my window**'. This means you can use ANY media (pencils, crayons, pastels, paint, collage, clay or even a drawing or photograph on your tablet/iPad) to create a piece of artwork which represents the view from your window.

You could create a representation of:

- The actual view from your window
- An imaginary view from your window (e.g. a window into your dreams)
- The view you want for the future when you look out of your window
- A view from a different window (holiday, family member's etc)

Therefore, it is completely up to you what you want to create! We felt this idea was fitting for our competition as we are all spending a little more time at home and there are so many different views from our windows.

Please keep your artwork safe at home for the moment and when it's finished take a clear picture and e-mail it to your class email address.

Once we return to school the winners will be announced and prizes will be awarded!

That means you have 3 school weeks to complete this Art project as the closing date for submission will be **Friday 12th February**.

There will also be 2 extra prizes - one for the best submission from a grown up at home and one for the best submission from a member of staff! This means everyone can get involved, no matter how young or old!

Some suggested steps for getting started:

- Start sketching and gathering some ideas and views from your window, looking at composition and a subject or view that interests you.
- Take your pen for a walk and sketch the view first.
- Think about these questions:
- Do you want to include the window frame or not?
- Do you want to include an interior scene with outdoors?
- What view do you get in different directions?
- Is there something that is fun or sends a message?
- Can ordinary everyday objects make an interesting subject?
- Include the main shapes and ideas in your sketch. Include the tones so you pick out lights, darks and medium shades.
- You can work in any medium that you like. Think about complementary colours and mix them rather than straight from the tube (if using paint).
