

	Autumn	Spring	Summer
Nursery	<p><b>Let's Celebrate</b> <b>Me and my family</b></p> <p>Following their start in Nursery, children will explore who they are and who their family is. This will lead to conversations about similarities and differences. We will introduce getting along and how to deal with disagreements appropriately, with help from an adult. Children will build our sense of belonging to a community by helping to take care of our Nursery and Nursery garden, helping our friends to access snack and washing the pots with our friends. Anti-bullying week is celebrated to raise awareness of what being 'being kind' is. Using the story 'The Colour Monster', they will explore words such as 'happy', 'sad' and 'angry' to explore our feelings and name them.</p>	<p><b>Let's Celebrate</b> <b>My traditions and other traditions</b></p> <p>As we move into the Spring term, children will celebrate traditions of their own culture and traditions found in other cultures, such as Chinese New Year and Holi. We will continue to work on how we can be a kind friend and what this might look like in Nursery. Children will continue to build our sense of belonging to a community by helping to take care of our Nursery and Nursery garden, helping our friends to access snack and washing the pots with our friends. By revisiting the story 'The Colour Monster', they will try to identify the feelings of other people by the way they are acting or by the words that they tell us.</p>	<p><b>Let's Celebrate</b> <b>My traditions and other traditions</b></p> <p>Children will continue to explore their own and the traditions of others. We will look at the traditions of traveller families while celebrating Gypsy, Roma and Traveller History Month. Children will continue to build our sense of belonging to a community by helping to take care of our Nursery and Nursery garden, helping our friends to access snack and washing the pots with our friends. By revisiting the story 'The Colour Monster', they will try to identify ways we can 'get back to green' when we are feeling unhappy or cross. Children will develop their ability to follow rules, without an adult having to remind them.</p> <p><b>Transition</b> Preparation for Reception</p>
Reception	<p><b>Marvellous Me!</b></p> <p>As children start their new chapter in Early Years, they celebrate their identity and the identity of their family. This builds on previous work from Nursery. They build on their skills on making friends and solving conflict, with help.</p> <p><b>Making Friends</b></p>	<p><b>We can succeed!</b></p> <p>Children learn about setting goals and aiming high. They explore how to celebrate success and achievement and how we can recover from disappointment.</p> <p><b>Who am I?</b></p>	<p><b>Healthy Relationships</b></p> <p>Children build on their knowledge of relationships from the 'Making Friends' topic. They explore making and keeping friends and resolving conflict.</p> <p><b>Changes</b> Transition preparation for Year 1</p>

PSHE with RSE CURRICULUM COHESION

	<p>Children work together with adults to create a Class Charter. This helps to establish an expected standard of behaviour for all people in Reception class. Children explore respecting and understanding difference.</p>	<p>During this topic, children celebrate themselves and their identity. This builds on their 'Marvellous Me' topic at the beginning of the year. What makes them who they are?</p>	
<p><b>Year 1</b></p>	<p><b>What helps us stay healthy?</b>          Following on from their learning in Personal, Social and Emotional Development during the EYFS, during this topic children learn:          What being healthy means and who helps them to stay healthy (e.g. parent, dentist, doctor).          That things people put into or onto their bodies can affect how they feel.          How medicines (including vaccinations and immunisations) can help people stay healthy and that some people need to take medicines every day to stay healthy.          Why hygiene is important and how simple hygiene routines can stop germs from being passed on.          What they can do to take care of themselves on a daily basis, e.g. brushing teeth and hair, hand washing.</p> <p><b>What is the same and different about us?</b>          Following on from their learning in Personal, Social and Emotional Development and Understanding the World during the EYFS, during this topic children learn:          What they like/dislike and are good at.          What makes them special and how everyone has different strengths.          How their personal features or qualities are unique to them.</p>	<p><b>Who is special to us?</b>          Following on from their learning in Personal, Social and Emotional Development during the EYFS, during this topic children learn:          That family is one of the groups they belong to, as well as, for example, school, friends, clubs.          About the different people in their family / those that love and care for them.          What their family members, or people that are special to them, do to make them feel loved and cared for.          How families are all different but share common features – what is the same and different about them.          About different features of family life, including what families do/enjoy together.          That it is important to tell someone (such as their teacher) if something about their family makes them feel unhappy or worried.</p> <p><b>Who helps to keep us safe?</b>          Following on from their learning in Personal, Social and Emotional Development during the EYFS, during this topic children learn:          That people have different roles in the community to help them (and others) keep safe - the jobs they do and how they help people.</p>	<p><b>How can we look after each other and the world?</b>          Following on from their learning in Personal, Social and Emotional Development and Understanding the World during the EYFS, during this topic children learn:          How kind and unkind behaviour can affect others; how to be polite and courteous; how to play and work co-operatively.          The responsibilities they have in and out of the classroom.          How people and animals need to be looked after and cared for.          What can harm the local and global environment; how they and others can help care for it.          How people grow and change and how people's needs change as they grow from young to old.</p> <p><b>What can we do with money?</b>          Following on from their learning in Personal, Social and Emotional Development and Mathematics during the EYFS, during this topic children learn:          What money is - that money comes in different forms.</p>

PSHE with RSE CURRICULUM COHESION

	<p>How they are similar or different to others, and what they have in common. To use the correct names for the main parts of the body, including external genitalia; and that parts of bodies covered with underwear are private.</p>	<p>Who can help them in different places and situations; how to attract someone's attention or ask for help; what to say.. How to respond safely to adults they don't know.</p> <p>What to do if they feel unsafe or worried for themselves or others; and the importance of keeping on asking for support until they are heard. How to get help if there is an accident and someone is hurt, including how to dial 999 in an emergency and what to say.</p>	<p>How money is obtained (e.g. earned, won, borrowed, presents). How people make choices about what to do with money, including spending and saving. The difference between needs and wants - that people may not always be able to have the things they want. How to keep money safe and the different ways of doing this.</p> <p><b>How to manage change when moving to a new class/year group.</b></p>
<p><b>Year 2</b></p>	<p><b>What makes a good friend?</b> Following on from their work on relationships in Year 1, children will learn: How to make friends with others. How to recognise when they feel lonely and what they could do about it. How people behave when they are being friendly and what makes a good friend How to resolve arguments that can occur in friendships. How to ask for help if a friendship is making them unhappy.</p> <p><b>What is bullying?</b> Following on from their work on relationships in Year 1, children will learn: How words and actions can affect how people feel. How to ask for and give/not give permission regarding physical contact and how to respond if physical contact makes them uncomfortable or unsafe.</p>	<p><b>What helps us to stay safe?</b> Following on from their work in Year 1 on who helps them to keep safe, children will learn: How rules and restrictions help them to keep safe (e.g. basic road, fire, cycle, water safety; in relation to medicines/ household products and online). How to identify risky and potentially unsafe situations (in familiar and unfamiliar environments, including online) and take steps to avoid or remove themselves from them. How to resist pressure to do something that makes them feel unsafe or uncomfortable, including keeping secrets. How not everything they see online is true or trustworthy and that people can pretend to be someone they are not. How to tell a trusted adult if they are worried for themselves or others, worried that something is unsafe or if they come across something that scares or concerns them.</p>	<p><b>What helps us grow and stay healthy?</b> This topics follows on from Year 1 learning regarding staying healthy. Children will learn: That different things help their bodies to be healthy, including food and drink, physical activity, sleep and rest. That eating and drinking too much sugar can affect their health, including dental health How to be physically active and how much rest and sleep they should have everyday. That there are different ways to learn and play; how to know when to take a break from screen-time. How sunshine helps bodies to grow and how to keep safe and well in the sun.</p> <p><b>What jobs do people do?</b> This topic follows on from the Year 1 topic by exploring jobs where we can obtain money. Children will learn:</p>

PSHE with RSE CURRICULUM COHESION

	<p>Why name-calling, hurtful teasing, bullying and deliberately excluding others is unacceptable.</p> <p>How to respond if this happens in different situations.</p> <p>How to report bullying or other hurtful behaviour, including online, to a trusted adult and the importance of doing so.</p>	<p><b>How do we recognise our feelings?</b></p> <p>This topic revisits feelings. This will have already been introduced to children during EYFS and throughout Year 1 during our emotional regulation work. This topic teaches children to:</p> <p>How to recognise, name and describe a range of feelings.</p> <p>What helps them to feel good, or better if not feeling good.</p> <p>How different things / times / experiences can bring about different feelings for different people (including loss, change and bereavement or moving on to a new class/year group).</p> <p>How feelings can affect people in their bodies and their behaviour.</p> <p>Ways to manage big feelings and the importance of sharing their feelings with someone they trust.</p> <p>How to recognise when they might need help with feelings and how to ask for help when they need it.</p>	<p>How jobs help people earn money to pay for things they need and want.</p> <p>About a range of different jobs, including those done by people they know or people who work in their community.</p> <p>How people have different strengths and interests that enable them to do different jobs.</p> <p>How people use the internet and digital devices in their jobs and everyday life.</p>
<p><b>Year 3</b></p>	<p><b>How can we be a good friend?</b></p> <p>Following on from their work on what a good friend is in Year 2, children will learn:</p> <p>How friendships support wellbeing and the importance of seeking support if feeling lonely or excluded.</p> <p>How to recognise if others are feeling lonely and excluded and strategies to include them.</p> <p>How to build good friendships, including identifying qualities that contribute to positive friendships.</p>	<p><b>Why should we keep active and sleep well?</b></p> <p>Building on the understanding gained in Year 2, this topic will teach children the specific health benefits of activity and sleep, including:</p> <p>How regular physical activity benefits bodies and feelings.</p> <p>How to be active on a daily and weekly basis</p> <p>How to balance time online with other activities.</p>	<p><b>What are families like?</b></p> <p>Following on from their work on families in Year 1, children will learn:</p> <p>How families differ from each other (including that not every family has the same family structure, e.g. single parents, same sex parents, step-parents, blended families, foster and adoptive parents).</p> <p>How common features of positive family life often include shared experiences, e.g. celebrations, special days or holidays.</p>

PSHE with RSE CURRICULUM COHESION

That friendships sometimes have difficulties, and how to manage when there is a problem or an argument between friends, resolve disputes and reconcile differences.  
How to recognise if a friendship is making them unhappy, feel uncomfortable or unsafe and how to ask for support.

**What keeps us safe?**

Following on from the Year 2, this topic revisits personal safety. It includes:  
How to recognise hazards that may cause harm or injury and what they should do to reduce risk and keep themselves (or others) safe.  
How to help keep their body protected and safe, e.g. wearing a seatbelt, protective clothing and stabilizers.  
That their body belongs to them and should not be hurt or touched without their permission; what to do and who to tell if they feel uncomfortable.  
How to recognise and respond to pressure to do something that makes them feel unsafe or uncomfortable (including online).  
How everyday health and hygiene rules and routines help people stay safe and healthy (including how to manage the use of medicines, such as for allergies and asthma, and other household products, responsibly).  
How to react and respond if there is an accident and how to deal with minor injuries e.g. scratches, grazes, burns.  
What to do in an emergency, including calling for help and speaking to the emergency services.

How to make choices about physical activity, including what and who influences decisions.  
How the lack of physical activity can affect health and wellbeing.  
How lack of sleep can affect the body and mood and simple routines that support good quality sleep.  
How to seek support in relation to physical activity, sleep and rest and who to talk to if they are worried.

**What makes a community?**

In Year 1 children learn how to look after each other in the wider world. This topic looks more closely at being part of a community, Children will learn:  
How they belong to different groups and communities, e.g. friendship, faith, clubs, classes/year groups.  
What is meant by a diverse community; how different groups make up the wider/local community around the school.  
How the community helps everyone to feel included and values the different contributions that people make.  
How to be respectful towards people who may live differently to them.

How people within families should care for each other and the different ways they demonstrate this.  
How to ask for help or advice if family relationships are making them feel unhappy, worried or unsafe.

**Why should we eat well and look after our teeth?**

Building on the understanding gained in Year 2, this topic will teach children the specific health benefits of oral hygiene, including:  
How to eat a healthy diet and the benefits of nutritionally rich foods.  
How to maintain good oral hygiene (including regular brushing and flossing) and the importance of regular visits to the dentist.  
How not eating a balanced diet can affect health, including the impact of too much sugar/acidic drinks on dental health.  
How people make choices about what to eat and drink, including who or what influences these.  
How, when and where to ask for advice and help about healthy eating and dental care.

**Year 4**

**How do we treat each other with respect?**

Building on their work on bullying and how to be a good friend in Years 1 and two, children will learn:

How people's behaviour affects themselves and others, including online.

How to model being polite and courteous in different situations and recognise the respectful behaviour they should receive in return.

About the relationship between rights and responsibilities.

About the right to privacy and how to recognise when a confidence or secret should be kept (such as a nice birthday surprise everyone will find out about) or not agreed to and when to tell (e.g. if someone is being upset or hurt).

The rights that children have and why it is important to protect these.

That everyone should feel included, respected and not discriminated against; how to respond if they witness or experience exclusion, disrespect or discrimination.

How to respond to aggressive or inappropriate behaviour (including online and unwanted physical contact) – how to report concerns.

**How can we manage our feelings?**

This topic follows on from learning in Year 2 regarding feelings. Children will learn:

How everyday things can affect feelings.

How feelings change over time and can be experienced at different levels of intensity.

**What strengths, skills and interests do we have?**

This topic builds on knowledge and understanding gained across EYFS and throughout KS1 and KS2 on identity and personal qualities. Children will learn:

How to recognise personal qualities and individuality.

To develop self-worth by identifying positive things about themselves and their achievements.

How their personal attributes, strengths, skills and interests contribute to their self-esteem.

How to set goals for themselves.

How to manage when there are set-backs, learn from mistakes and reframe unhelpful thinking.

**What makes up a person's identity?**

This topic follows on from the previous Year 4 topic regarding personal qualities. It will help children to build a sense of identity. Children will learn:

How to recognise and respect similarities and differences between people and what they have in common with others.

That there are a range of factors that contribute to a person's identity (e.g. ethnicity, family, faith, culture, gender, hobbies, likes/dislikes).

How individuality and personal qualities make up someone's identity (including that gender identity is part of personal identity and for some people does not correspond with their biological sex).

**How can our choices make a difference to others and the environment?**

This topic explores impact of the decisions we make and how we can be good citizens. Children will learn:

How people have a shared responsibility to help protect the world around them.

How everyday choices can affect the environment.

How what people choose to buy or spend money on can affect others or the environment (e.g. Fairtrade, single use plastics, giving to charity).

The skills and vocabulary to share their thoughts, ideas and opinions in discussion about topical issues.

How to show care and concern for others (people and animals).

How to carry out personal responsibilities in a caring and compassionate way.

**How can we manage risk in different places?**

This topic will build on learning from Year 3 on safety. Children will learn:

How to recognise, predict, assess and manage risk in different situations.

How to keep safe in the local environment and less familiar locations (e.g. near rail, water, road; fire/firework safety; sun safety and the safe use of digital devices when out and about).

How people can be influenced by their peers' behaviour and by a desire for peer approval; how to manage this influence.

PSHE with RSE CURRICULUM COHESION

	<p>The importance of expressing feelings and how they can be expressed in different ways. How to respond proportionately to, and manage, feelings in different circumstances. Ways of managing feelings at times of loss, grief and change. How to access advice and support to help manage their own or others' feelings.</p>	<p>About stereotypes and how they are not always accurate, and can negatively influence behaviours and attitudes towards others. How to challenge stereotypes and assumptions about others.</p>	<p>How people's online actions can impact on other people. How to keep safe online, including managing requests for personal information and recognising what is appropriate to share or not share online. How to report concerns, including about inappropriate online content and contact. That rules, restrictions and laws exist to help people keep safe and how to respond if they become aware of a situation that is anti-social or against the law.</p>
<p><b>Year 5</b></p>	<p><b>How can we help in an accident or emergency?</b> This topic is concise and delivers need to know information about first aid and emergencies. It relates closely to previous topics of risk, hazards and staying safe. Children will learn: How to carry out basic first aid including for burns, scalds, cuts, bleeds, choking, asthma attacks or allergic reactions. That if someone has experienced a head injury, they should not be moved. When it is appropriate to use first aid and the importance of seeking adult help.</p> <p><b>What decisions can people make with money?</b> Following on from the Year 1 topic on money, children will learn: How people make decisions about spending and saving money and what influences them. How to keep track of money so people know how much they have to spend or save.</p>	<p><b>How can drugs common to everyday life affect health?</b> This topic focusses on drugs following on from the Year 3 topic that covers the use of medicines to keep safe. Children will learn: How drugs common to everyday life (including smoking/vaping - nicotine, alcohol, caffeine and medicines) can affect health and wellbeing. That some drugs are legal (but may have laws or restrictions related to them) and other drugs are illegal. How laws surrounding the use of drugs exist to protect them and others. Why people choose to use or not use different drugs. How people can prevent or reduce the risks associated with them. That for some people, drug use can become a habit which is difficult to break. How organisations help people to stop smoking and the support available to help</p>	<p><b>How will we grow and change?</b> Building on previous topics on health, this topic explores the changes surrounding puberty. Children will learn: About puberty and how bodies change during puberty, including menstruation and menstrual wellbeing, erections and wet dreams. How puberty can affect emotions and feelings. How personal hygiene routines change during puberty. How to ask for advice and support about growing and changing and puberty.</p> <p><b>What jobs would we like?</b> This topic will explore in more depth, the options available to children regarding further education and jobs. It follows on from the topic in Year 2. Children will find out:</p>

PSHE with RSE CURRICULUM COHESION

	<p>How people make choices about ways of paying for things they want and need (e.g. from current accounts/savings; store card/ credit cards; loans)</p> <p>How to recognise what makes something 'value for money' and what this means to them.</p> <p>That there are risks associated with money (it can be won, lost or stolen) and how money can affect people's feelings and emotions.</p>	<p>people if they have concerns about any drug use.</p> <p>How to ask for help from a trusted adult if they have any worries or concerns about drugs.</p> <p><b>How can friends communicate safely?</b></p> <p>This topic builds on the children's knowledge of being a good friend and how to manage risk in Year 4. Children will learn how to:</p> <p>About the different types of relationships people have in their lives.</p> <p>How friends and family communicate together; how the internet and social media can be used positively.</p> <p>How knowing someone online differs from knowing someone face-to-face.</p> <p>How to recognise risk in relation to friendships and keeping safe.</p> <p>About the types of content (including images) that is safe to share online; ways of seeking and giving consent before images or personal information is shared with friends or family.</p> <p>How to respond if a friendship is making them feel worried, unsafe or uncomfortable.</p> <p>How to ask for help or advice and respond to pressure, inappropriate contact or concerns about personal safety.</p>	<p>That there is a broad range of different jobs and people often have more than one during their careers and over their lifetime.</p> <p>That some jobs are paid more than others and some may be voluntary (unpaid).</p> <p>About the skills, attributes, qualifications and training needed for different jobs.</p> <p>That there are different ways into jobs and careers, including college, apprenticeships and university.</p> <p>How people choose a career/job and what influences their decision, including skills, interests and pay.</p> <p>How to question and challenge stereotypes about the types of jobs people can do.</p> <p>How they might choose a career/job for themselves when they are older, why they would choose it and what might influence their decisions.</p>
<p>Year 6</p>	<p><b>How can the media influence people?</b></p> <p>The final topic in the strand, living in the wider world, pulls together understanding from previous topics on media and online influence and teaches children:</p>	<p><b>How can we keep healthy as we grow?</b></p> <p>This Year 6 topic concludes the health and wellbeing strand by teaching children:</p> <p>How mental and physical health are linked</p> <p>how positive friendships and being involved in activities such as clubs and community groups support wellbeing.</p>	<p><b>What will change as we become more independent?</b></p> <p>This pulls together learning from previous years on different types of relationships. Children will learn:</p>

PSHE with RSE CURRICULUM COHESION

How the media, including online experiences, can affect people's wellbeing – their thoughts, feelings and actions.  
That not everything should be shared online or social media and that there are rules about this, including the distribution of images.  
That mixed messages in the media exist (including about health, the news and different groups of people) and that these can influence opinions and decisions.  
How text and images can be manipulated or invented; strategies to recognise this.  
To evaluate how reliable different types of online content and media are, e.g. videos, blogs, news, reviews, adverts.  
To recognise unsafe or suspicious content online and what to do about it.  
How information is ranked, selected, targeted to meet the interests of individuals and groups, and can be used to influence them.  
How to make decisions about the content they view online or in the media and know if it is appropriate for their age range.  
How to respond to and if necessary, report information viewed online which is upsetting, frightening or untrue.  
to recognise the risks involved in gambling related activities, what might influence somebody to gamble and the impact it might have.  
To discuss and debate what influences people's decisions, taking into consideration different viewpoints.

How to make choices that support a healthy, balanced lifestyle including:  
How to plan a healthy meal,  
How to stay physically active,  
How to maintain good dental health, including oral hygiene, food and drink choices,  
How to benefit from and stay safe in the sun,  
How and why to balance time spent online with other activities,  
How sleep contributes to a healthy lifestyle; the effects of poor sleep; strategies that support good quality sleep,  
How to manage the influence of friends and family on health choices.  
That habits can be healthy or unhealthy; strategies to help change or break an unhealthy habit or take up a new healthy one.  
How legal and illegal drugs can affect health and how to manage situations involving them.  
How to recognise early signs of physical or mental ill-health and what to do about this, including who to speak to in and outside of school.  
That health problems, including mental health problems, can build up if they are not recognised, managed, or if help is not sought early on.  
That anyone can experience mental ill-health and to discuss concerns with a trusted adult.  
That mental health difficulties can usually be resolved or managed with the right strategies and support.  
That FGM is illegal and goes against human rights; that they should tell someone

That people have different kinds of relationships in their lives, including romantic or intimate relationships.  
That people who are attracted to and love each other can be of any gender, ethnicity or faith; the way couples care for one another.

**How do friendships change as we grow?**

This pulls together learning from previous years on different types of relationships and parts of the science curriculum.  
Children will learn:  
That adults can choose to be part of a committed relationship or not, including marriage or civil partnership.  
That marriage should be wanted equally by both people and that forcing someone to marry against their will is a crime.  
How puberty relates to growing from childhood to adulthood.  
About the reproductive organs and process - how babies are conceived and born and how they need to be cared for.  
That there are ways to prevent a baby being made<sup>2</sup>  
How growing up and becoming more independent comes with increased opportunities and responsibilities.  
How friendships may change as they grow and how to manage this.  
How to manage change, including moving to secondary school; how to ask for support or where to seek further information and advice regarding growing up and changing.

		immediately if they are worried for themselves of someone else.	
--	--	---	--

The following statements are embedded throughout the RE curriculum.

**Eco:** Children will be educated in careers that impact the environment around them and the wider world.

**Educate & Celebrate-**Religion and belief

**RRS** Article 8 Children have the right to know their identity. Article 9. Children have the right to live with a family who cares for them. Article 24 Children have the right to a healthy lifestyle and a healthy diet. Article 30. Children have the right to learn the customs and religions of their family.
