# Providing the advice and support needed for jobs and training

County Durham residents who are unemployed and over 25 can access a number of projects across the county to help with moving back into work. These include; Durham Advance, LINKCD, North Durham Assist and South Employability Mentoring Project.

What to expect from us:

- Expert advice on CVs, application forms and interview techniques
- A dedicated adviser for one to one support tailored to the needs of the individual
- Access to funding to improve job prospects  
\*subject to availability and eligibility\*
- Direct links to real opportunities and training
