

**Employability
Durham**

LINKCD

Supporting out of work County Durham residents aged 18+ years old to overcome multiple and complex barriers and to support them to move closer to or back into employment, education or training. We have five delivery partners working across County Durham to engage, support and progress residents who are most disadvantaged and most distant from the labour market.

What we offer you:

- Dedicated one-to-one advisor to support you
- Outreach support in your local community
- Individual client assessment, action planning and Information, Advice and Guidance
- Links to specialist support around debt, benefits and housing
- Access to English and Maths training to improve basic skills
- Advice on completing CVs, job search and interview preparation
- Help securing volunteering and work experience
- Links to training and employment opportunities
- Access to funding to overcome barriers and improve job prospects
