Curriculum Newsletter Summer Term 1 Nursery Mrs Snowball

Let's Celebrate and Spring

This half term we will be celebrating Eid and the Queen's Jubilee. Our topic will be 'Let's Grow'. We will investigate the changes in weather and in the environment as Summer approaches.

The children will be learning about planting, growing and the life cycle of plants and animals. Children will have the opportunity to plant seeds and beans and watch them grow. We will be getting a delivery of tiny caterpillar and taking care of them until they complete their metamorphosis.

We will be learning all about the Royal Family and preparing for our Queen's Jubilee celebration.

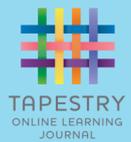

Useful Information

What can you do to help your child?

Please use our lending library each Friday and share a story or non-fiction book with your child.

Find the opportunity to count at any time during the day. How many steps do you climb when you go to bed? How many forks do we have at home? These are all great opportunities to count during your ever day tasks.

Please post any lovely activities or 'Wow moments' from home on Tapestry. We love to share them in Nursery.

Please remember that your child will need a bag with a change off clothes in, a water bottle, a sun hat and a waterproof coat.

Please apply long lasting sun lotion to your child before they attend nursery, if your child attends all day, we will reapply their lotion after lunch. Please provide some lotion with your child's name on. Thank you!

Mathematical Development
 We will be exploring mathematical challenges such as: 'If Quinn has 2 cakes and there are 3 babies, will there be enough for each baby to have a cake? Why?'

The World
 We will be exploring planting and growing this half term. Children will plant pumpkin and sunflower seeds and beans. We will watch them grow and explore the plant lifecycle.

Literacy
 We will be listening out for words that rhyme such as 'hat' and 'cat'. We will be having a go at writing for a purpose such as writing a list, a card or a note for a friend.
