CURRICULUM NEWSLETTER - SUMMER TERM 1 YEAR 1 MRS STAMPER

English

We are learning to write and sequence sentences using capital letters and full stops. Our text will be George's Marvellous Medicine by Roald Dahl. We will be working on forming all letters correctly and ensuring that we write them the correct size. Your child will shortly receive a log in for our Ed Shed programme. This is where they can practise their weekly Spellings, that they have been taught in class.

Mathematics

We are learning to partition tens and ones and use number bonds to add and subtract numbers. Then we will begin learning how to add groups and share amounts using multiplication and division skills. It will benefit your child if they can practise counting in 2's, 5's and 10's daily at home.

Useful Information

What can you do to help your child?

Please listen to your child read daily and talk about their book.

Please help your child to count fluently in 2's, 5's and 10's. Daily practise of this will really help them, as we move forward in their mathematics learning.

Please ensure children's reading books and reading records are in school every day. Thank you!

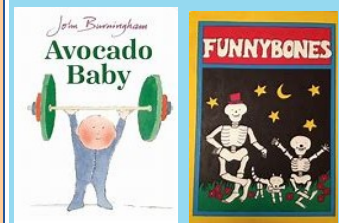

Online Learning

Children will be given a log in to access Ed-Shed this term, where they can practice phonics and reading skills.

PE

This term PE will be on a Monday and Wednesday. Please ensure your child brings their PE kit in on a Monday and leaves it in school for the full week.

Story time books:

Science

We are continuing our learning all about plants. We will be growing our own plants in the outdoor flower bed.

History

We are learning about The Great Fire of London and how it compared to The Great Fire of Newcastle. We will be visiting The Discovery Museum as part of this learning.

Computing

We are going to build on our understanding of programming. We will continue to learn about Bee-bots and how they work.

Music

We are learning to improvise with music. We will be finding out what songs we can sing to help us through the day.

Religious Education

We are learning about Buddhism. The children will learn about some of the basic beliefs.

PSHE Including RSE

We are learning about money. We will be finding out what we can do with money and the different types of money we can have.
