**CURRICULUM NEWSLETTER - SUMMER 2 YEAR 3 MISS DAGLISH**

**English**

In English we are looking at non-fiction writing. We are starting the half term by looking at non-chronological reports. Children will be reading and writing their own non-chronological report about Ancient Egypt. Children will be encouraged to use paragraphs, headings, sub-headings and factual language to fit the genre.

**Mathematics**

We are continuing our learning on Fractions this half term.

Alongside money, we will be looking at the basics of telling the time.

It would be a huge help if you could support your child with telling the time at home too. We will begin looking at o'clock and half past before moving on to various other 'past' and 'to' times.

**Useful Information**

**What can you do to help your child?**

**Homework will be sent out weekly as normal., Please make sure you are supporting your child with completing their homework. It is really important and supports their progression in school.**

**Online Resources**

- Times Tables Rockstars
- Spelling Shed
- Conquer Maths
- Hit the Button
- Active Learn
- BBC Bitesize

**Please ensure children's reading books and reading records are in school every day. It is really important we are reading with our children at home. Thank you!**

**Please ensure children have shorts/trousers and a top in school for our outdoor PE sessions.**

**PE**

**We are working on our Athletic skills - running, jumping and throwing as well as rounders.**

**Our PE days will be a Wednesday and Thursday.**

**Our current class novel is '????????????????'.**

**Science**

We are learning about Light! How does light help you see? We will explore surfaces, sources of light and reflection.

**DT**

In DT children are exploring Food and Nutrition. Inspired by our Egyptian topic, children will gain an understanding of how food is grown around the world as well as how to safely prepare and store food.

**Computing**

In Computing we will be completing some coding on Scratch. We will be learning about inputs and outputs, programming and creating repeated loops.

**Art**

In Art children will be working with clay to create sculptures inspired by beetles. They will investigate detail, joining and patterns.

**Geography**

We are learning about rivers! Children will be exploring rivers and the water cycle.

**PSHE Including RSE**

In PSHE we are learning about oral hygiene and the importance of a healthy diet. Please support your child at home by having positive conversations about the dentist and teeth brushing.
