CURRICULUM NEWSLETTER - SPRING TERM 2 YEAR 3 MISS DAGLISH

English

In English we are reading 'Charlie and the chocolate factory'. We read this as our class novel in Autumn and the children loved it. We will be completing some work looking at character description, persuasive letters and a non-fiction text looking at how chocolate/sweets are made. I can't wait to see the work the children produce!

Mathematics

We are continuing our learning on Multiplication and Division this half term. Following this we will be moving on to Measuring length and perimeter. We will be recapping our learning from Year 2 about centimetres and moving on to millimetres and perimeter.

Useful Information

What can you do to help your child?

Homework will be sent out weekly as usual. Please support your child with completing their homework. It is really important and supports their progression in school.

Online Resources

- Times Tables Rockstars
- Spelling Shed
- Conquer Maths
- Hit the Button
- BBC Bitesize

Please ensure children's reading books and reading records are in school every day. It is really important we are reading with our children at home. Thank you!

Please ensure children have shorts and a top in school for our indoor PE sessions.

PE

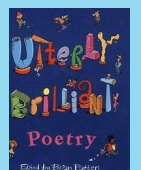

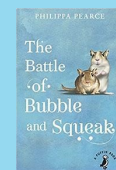

We are continuing our work on Gymnastics, developing our partner roles and developing our understanding of sequencing.

Our PE days will be a Monday and Friday.

Our story time book is:

The battle of Bubble and Squeak by Philippa Pearce.

Our poem for this half term is the Itch by Michael Rosen

Science

We are learning about Plants, their parts and their functions. We will investigate the structure of plants and our local area's botany.

Spanish

We are learning about Musical Instruments. Don't forget to ask us about our Spanish phonics and how to pronounce musical instrument names.

Computing

In computing we will be completing some coding on Scratch. We will be learning about inputs and outputs, programming and creating repeated loops.

Music

In Music we are studying the song 'Three Little Birds' by Bob Marley. We will be appraising the song, its instruments and the beat.

Art

In Art we are studying the work of Norman Cornish. We will develop our painting skills as well as learning to 'sketch what we see' just like Norman.

PSHE Including RSE

In PSHE we are delving into our community and what it means to be a community. How does your community make you feel valued?
