

Sports Premium Funding 2023-2024

Our school has been allocated **£17,800** (£16,000 + £10 per pupil, 180 on role) from the Government's Sports Premium Funding. This money will be spent over the course of the year to finance sustainable developments in P.E. and sport opportunities for children in school.

We will also be seeking further opportunities to provide our children with 30 minutes of activity daily during school time.

- We have bought into Go Well Service Level Agreement (£2,000) and the Enhanced SLA (£5,563). This allows us to:
 - Provide specialist training for staff in school.
 - Provide 50 hours of high quality coaching per year to aid pupil and staff development (Dance, Athletics, Striking and Fielding).
 - Attend a wide variety of CPD opportunities to support PE curriculum delivery.
 - Participate in various sporting tournaments and festivals over the course of the year.
 - Gain detailed end of year reports on pupil participation in festivals and competitions.
 - Taster session for a variety of sports, including a Pickleball, Quidditch, Skipping and Team Up Day.
 - After school clubs in Striking/Fielding and dance.
 - Team Up Kids (A mental health and well-being course)
 - Explore – an orienteering themed activity that can be used across the curriculum.
 - New resources linked with Move with Max.
 - New resources linked with 'Active Curriculum'.
- We will use some of the money to promote healthy and active playtimes. New play equipment is always needed as old equipment is lost or broken. (£500)
- PE Equipment will need replacing throughout the year to allow high quality PE lessons and after school clubs to continue (£800)
- We continue to update and improve the OPAL provision we are able to offer at school. Some of the resources and equipment will need replacing (£500)
- Funding will be used for Supply teacher cover to allow teachers to access CPD training (£1,000).
- Funding will be used to allow Subject leader to attend meetings and PE conference (£300)
- Purchase medals and certificates for intra-school competitions (£350).

- Transportation to allow children to attend events and competitions (£1,750 contribution)
- Additional wellbeing/mental health workshops for both staff and students to allow them to better understand their own emotions and mental health (£600)
- Resources specifically bought to support children with SEN who have gross motor/physical development support plan targets which can also be used by other children in school (£500)
- Ensure outdoor storage is updated and fit for purpose. This included sheds, active areas, storage boxes (£400)
- Teaching assistants to deliver specific interventions (gross motor skills, mental health, fine motor skills) to assist with catch-up following the school closure period. (£3,500)

Cleves Cross Primary School
