Let's Celebrate Harvest, Black History Month, Halloween, Bonfire Night

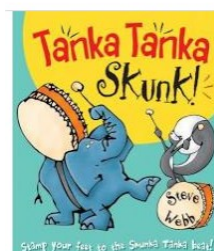

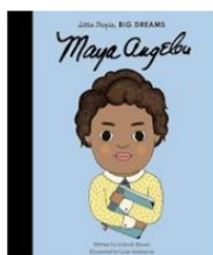

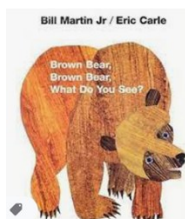

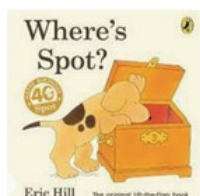

and

All About Me!

Welcome to Nursery! This half term we will be celebrating Harvest, Black History Month, Halloween, Bonfire Night and everything about your little ones!

We will focus on building our independence skills in using the toilet, washing our hands, eating snack or lunch, putting on our shoes and coats and accessing all of the wonderful resources in Nursery.

We will count objects, actions and sounds and work on answering 'what', 'where' and 'who' questions. We will share the wonderful stories below and participate in activities such as bread making and playing musical instruments.

Mathematical Development

We will be **counting** objects, actions and sounds to 5. We will work on positional language such as '**under**', '**on**' and '**behind**' using the story 'Where's Spot?'

The World

We will learn about our own and others cultural traditions at Harvest, Bonfire Night and Halloween.

We will talk about our own family history.

Literacy

We will encourage children to recognise their name and begin to make marks that represent it.

We will listen carefully to stories we enjoy to then recall them.

Useful Information

What can you do to help your child?

Please use our lending library each Friday and share a story or non-fiction book with your child.

Find the opportunity to count at any time during the day. How many steps do you climb when you go to bed? How many forks do we have at home? These are all great opportunities to count during your ever day tasks.

Please post any lovely activities or 'Wow moments' from home on Tapestry. We love to share them in Nursery. If you are having trouble getting set up or logged in, please bring your device to Nursery and we can help.

TAPESTRY
ONLINE LEARNING
JOURNAL

Your child will need a bag with a change off clothes in, a bottle of water and a water-proof coat.

Velcro or slip on shoes or trainers are the best in Nursery, as your child can put their shoes on independently.
