Nursery Curriculum Newsletter Summer 2

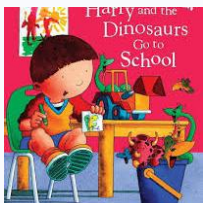

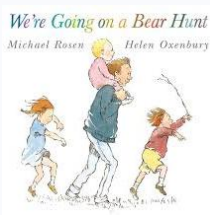

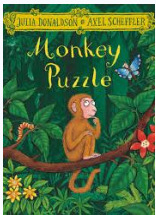

Let's Celebrate and Summer

This half term we will be celebrating Father's Day. Our topics will be '**Summer**' and '**Transition**'. We will investigate the changes in **weather** and the **environment** as summer approaches. We will also be preparing our children who are moving up to **Reception** class for the next big step in their education. For our children who are staying with us for another year, we will be preparing them to meet new friends and a new term ahead. We will be continuing our care for our **plants** we are **growing** in the Nursery garden and our vegetables in our allotment bed. There will be lots of exciting events being held this term and we have listed them here for you. Please keep an eye on the fortnightly school newsletter and the Compass app as new things may well be added. We are looking forward to enjoying them all with you!

Useful Information

What can you do to help your child?

Please use our **lending library** **each Friday** and share a story or non-fiction book with your child.
