

Cleves Cross

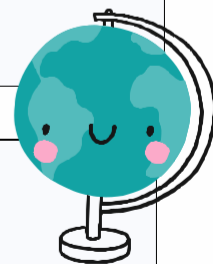

Year 3 Curriculum Newsletter Summer 2

Core Subjects

English – In English we are looking at writing our own adventure stories based on 'There's a Pharaoh in our Bath'. We will create a playscript and write a newspaper report on the opening of Tutankhamen's tomb! Children will be encouraged to use paragraphs, conjunctions and a range of sentence types and openers.

Mathematics – We will continue working on our topic of telling the time. Eventually, we will be able to tell the time to the nearest minute. It would be a huge help if you could support your child with telling the time at home too. We will also be exploring shapes in more detail and looking at a range of 2D and 3D shapes and their properties.

Other Key Learning

Science

We are learning about Forces. Children will learn what a force is, understand friction and this will lead us into working with magnets.

MFL – Spanish

In Spanish we are learning how to name fruits and vegetables and will be linking this with our eco work with our raised beds and growing area.

Geography

What is a river and why are they important to both people and nature?

Linked to our History learning and Ancient Egypt, we will explore the River Nile and why it was so important as part of the Egyptian civilisation.

PE

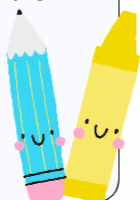

We will be improving our Athletics skills in preparation for Sports Day and Quad Kids. We will also be introduced to a new game of 'Arc Rounders' and practising our striking and fielding skills too.

PSHE

In PSHE we are learning about oral hygiene and the importance of a healthy diet. Please support your child at home by having positive conversations about the dentist and teeth brushing.

DT

In DT we are learning how to prepare and store food safely. Children will plan, design, make and store their own healthy break time snack bar.

Useful Information

What can you do to help your child?

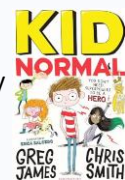

We should also be aiming to read at least three times per week. Please ensure reading records are signed when you have read.

Online Resources

Children have access to several websites to support their learning such as: Doodle Maths, Ed Shed and TT Rockstars.

Please ensure children's reading books and reading records are in school every day. Thank you!

We will soon be reading 'Kid Normal' in our story time sessions.

Reminders

PE - Our PE days remain on a **Monday** and a **Tuesday**. Earrings should not be worn on PE days either for safety.

We will be focussing on Tennis and an Outdoor and Adventurous unit. Please can children ensure they have an outdoor PE kit, including suitable trainers, in school each week.

Thank you for your continued support.

If there is anything else you would like to discuss, please use our class email:
Yr3@clevescrossprimary.org.uk
and somebody will be happy to help.
